Learn More

What will students do and learn?

- Brainstorm a business idea to respond to a need in the community
- Identify methods to increase a business' competitive advantage
- Describe the target market for a potential business idea
- Outline details needed to start building a business plan

> Before participating in the Be Entrepreneurial program, I had ideas but no real sense of how to turn them into something meaningful. This program changed that. It broke down the entrepreneurial process in a way that felt practical, inspiring, and surprisingly achievable.
