Program Length: 2-3 hours/week for 4-6 months (varies by location)

Program Format: In-School or After School (varies by location)

Supports Curriculum: Business, math, social studies

Provided Resources: Interactive digital resources and tools

Learn More

What will students do and learn?

- Identify a business problem and develop a product or service to solve it
- Work as a team to grow the business, assigning roles that match talent to task
- Learn how to pitch to prospects, investors and potential customers
- Maintain financial records and analyze them to spot trends and find opportunity
- Develop marketing channels such as a website and social media platforms and learn how to use these to market a business
- Connect with mentors from the local business community who have a genuine interest in guiding Canada's future innovators

“

The hands-on activities and mentorship from business leaders inspire and prepare students with real-world skills in financial literacy, work readiness, and entrepreneurship.
